## User Registration

### Test 1: Valid User Registration

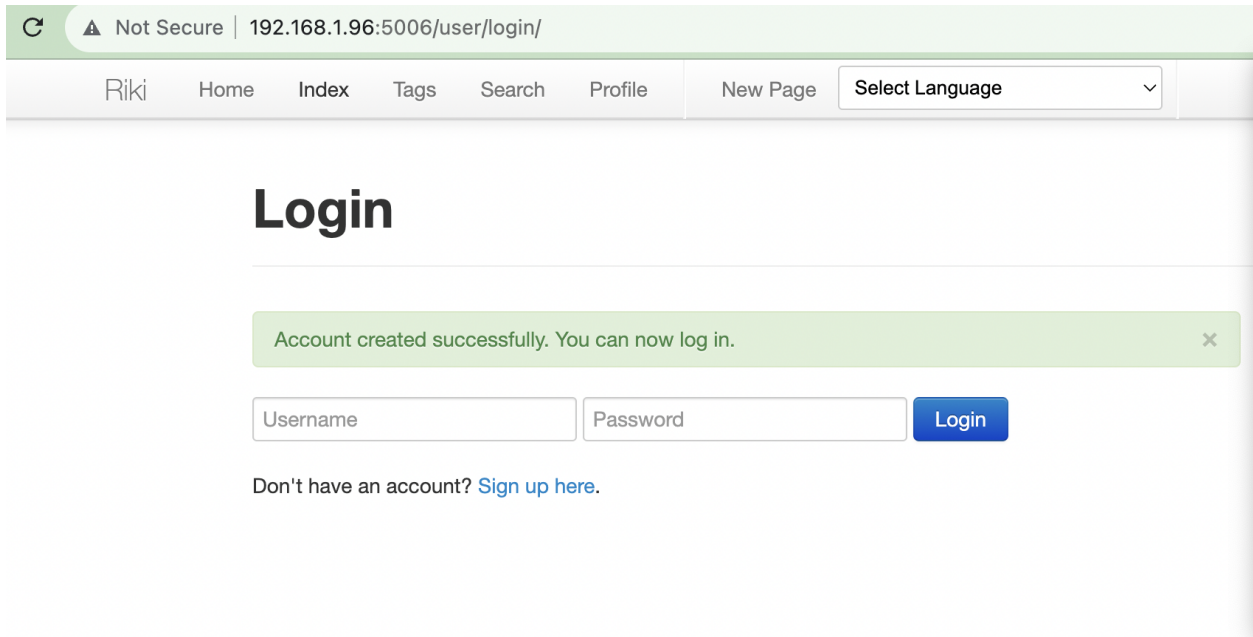

Step 1: Input valid username, password and confirm password

[Riki](#) [Home](#) [Index](#) [Tags](#) [Search](#) [Profile](#) [New Page](#)

Select Language 

## User Registration

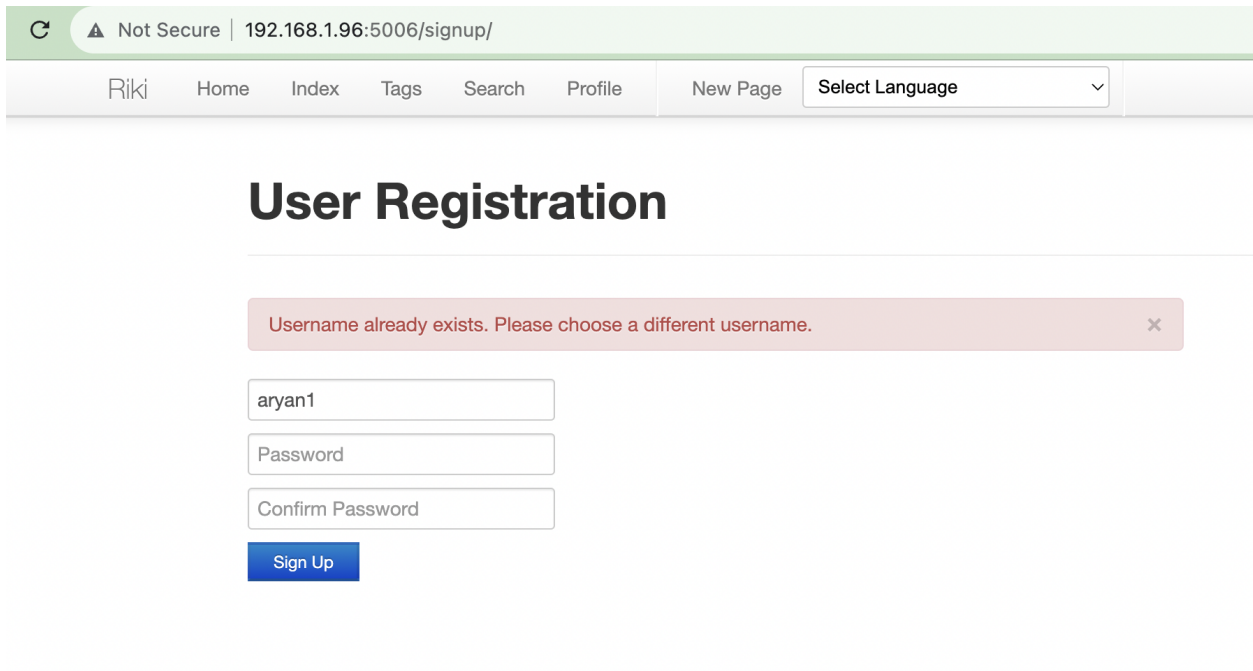

## Step 2: Login Successful

A screenshot of a web browser window. The address bar shows a refresh icon, a warning icon, the text "Not Secure", and the URL "192.168.1.96:5006/user/login/". The navigation bar includes links for "Riki", "Home", "Index", "Tags", "Search", "Profile", "New Page", and a "Select Language" dropdown menu. The main heading is "Login". Below it is a green success message box that says "Account created successfully. You can now log in." with a close button. There are two input fields: "Username" and "Password", followed by a blue "Login" button. At the bottom, it says "Don't have an account? [Sign up here.](#)"

## Test 2: Duplicate Username

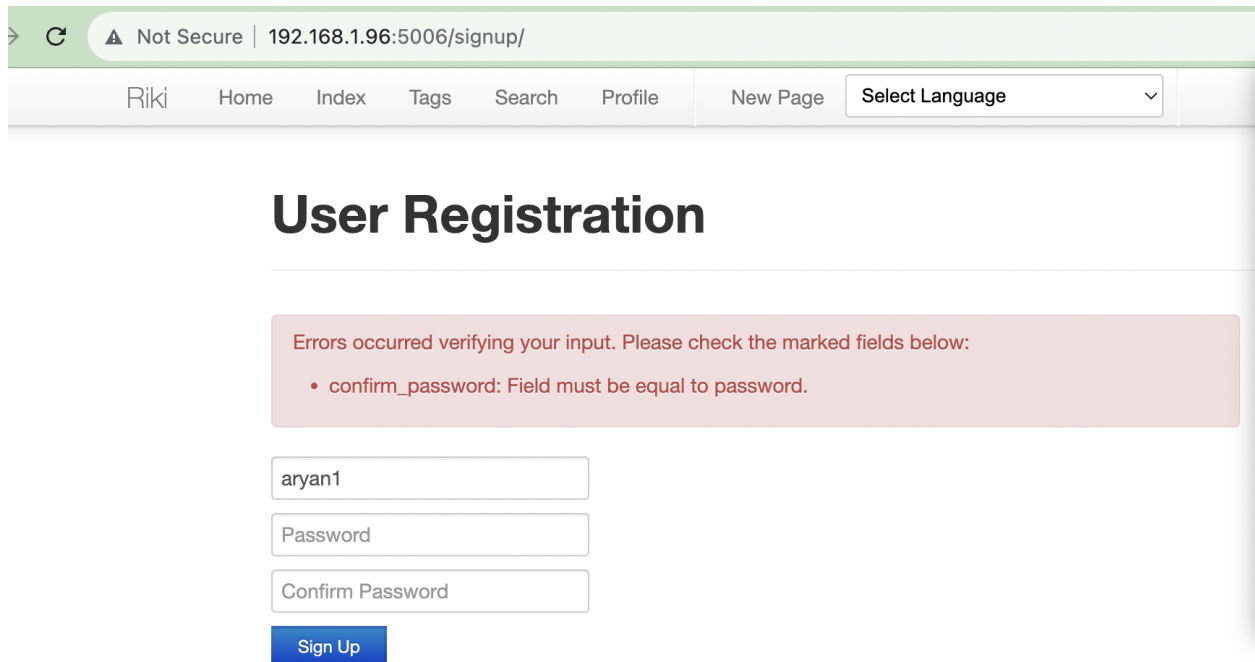

Step 1: Submit form with duplicate Username. Error Message Pops up asking for different username

A screenshot of a web browser window. The address bar shows a refresh icon, a warning icon, the text "Not Secure", and the URL "192.168.1.96:5006/signup/". The navigation bar is identical to the previous screenshot. The main heading is "User Registration". Below it is a red error message box that says "Username already exists. Please choose a different username." with a close button. There are three input fields: "aryan1", "Password", and "Confirm Password", followed by a blue "Sign Up" button.

### Test 3: Password and Confirm Password doesn't match.

Step 1: Submit form with password and confirm password not matching. Validation error message pops up indicating Password fields must be equal.

The screenshot shows a web browser window with the address bar displaying "192.168.1.96:5006/signup/". The page has a navigation bar with links: Riki, Home, Index, Tags, Search, Profile, New Page, and a language selection dropdown. The main heading is "User Registration". Below the heading, a red error message box states: "Errors occurred verifying your input. Please check the marked fields below:" followed by a bullet point: "confirm\_password: Field must be equal to password." The registration form contains three input fields: the first contains "aryan1", the second is labeled "Password", and the third is labeled "Confirm Password". A blue "Sign Up" button is positioned below the "Confirm Password" field.
